

PUBLIC WORKSHOP

**PROJECT DEVELOPMENT FOR
SR1, LITTLE HEAVEN INTERCHANGE**

PROJECT HISTORY:

- ◆ **Project identified as part of the SR1 Corridor Capacity Preservation Program and presented at Public Workshops in 1998.**
- ◆ **Two Project Alternatives presented at Public Workshop in February 2004. Four additional Alternatives developed in response to comments from public, fire companies and regulatory agencies.**
- ◆ **All six Alternatives are presented tonight for public review and comment. New Alternatives include SR1 bridging over Bowers Beach Road, a southward extension of the project limits and the relocation of Barratts Chapel Road.**
- ◆ **Preferred Alternative to be presented at Public Workshop in Fall 2004.**
- ◆ **Current schedule for construction to begin in Fall 2007.**
